Lucky No7: een flinke vleug rebellie en duurzaamheid. Boys only, girls allowed.

Dit tikkeltje brutale kinderkledingmerk van Nederlandse bodem is ontstaan uit de drive om een cool en betaalbaar merk op te zetten, dat bovendien draagbaar en duurzaam is. Kleding ontworpen dus om in te rennen, klimmen, vallen en ravotten en die met een gerust hart meerdere wasbeurten meekan. Kenmerkend aan de collectie zijn het krachtige kleurgebruik, opvallende prints, comfort, kwaliteit en de mogelijkheid om stukken naar hartenlust te combineren.

Er is geen verplichting tot voororderen en alle artikelen zijn direct uit voorraad leverbaar.

EN

Lucky No7: a good dash of rebellion and sustainability. Boys only, girls allowed.

This slightly cheeky Dutch brand arose from the idea of setting up a cool and affordable brand which is also wearable and sustainable at the same time. Clothes designed to run, climb, fall and play in and that can easily withstand multiple washings. Characteristics of the collection are the powerful use of colour, striking prints, comfort, quality and the possibility to combine the pieces to your heart's content.

There is no obligation to pre-order and all items can be delivered directly from stock.
